The order of 1912 is only a modification of the order of 1911 in cases where the medical officer in charge of the lock-up goes out in cases of emergency.

The memo quoted by the D. M. O. in his letter is the one issued by the Dt. Magte after the receipt

of the G.O. of 1911 in the matter.

The question now raised by the
Dt. Medical officer is as to what should be
done when he has to go out on inspection
duty. But the order of 1911 seems to be clear
and meets such cases also. May the Dt. Magr.
be informed accordingly?
